

Omega tutors believe in:

Providing opportunity for growth

Building student confidence

Achieving academic success

Encouraging critical-thinking skills

Communicating directly with teachers

Utilizing a tutoring system

Omega tutors are teachers.

Our tutors are qualified, motivated, and certified teachers K-8 who care about your student's success.

Omega tutors are educated.

Many Omega tutors have master's degrees and special education degrees, and all must complete the Omega training/certification program.

Omega tutors produce results.

Omega tutors achieve results using our AIM Tutoring System®. The average academic growth is 2.2 years after completing our program.

Omega tutors are local.

Our tutors live and work in our community. They believe in the power of a strong education and its value for your student's future.

Omega tutors are dynamic.

Our tutors engage their students and our OutpAce® curriculum, including auditory, visual, and tactile instructional methods to achieve accelerated growth and lasting results.

Omega tutors are connected.

Omega tutors send daily email updates to our students' parents and schoolteachers to keep everyone informed on their Academic Team.
