

## High School Academic Camps

Programs are customized based on your individual program goals and may include:

- ✓ **High School Math:** Calculation, math fluency, word problems, math reasoning, and SAT/ACT\* math application.
- ✓ **High School Reading:** Comprehension, sight words, fluency, language arts, and SAT/ACT\* vocabulary.
- ✓ **SAT/ACT® Prep:** Remediation, guided instruction through Omega's *OutpAce®* test prep book, practice test sections, and test-taking strategies.
- ✓ **High School Writing Skills:** Structural and creative writing skills, research, writing fluency, grammar, punctuation, editing, revising, keyboarding and handwriting.

Omega's highly effective academic Boot Camps will help your student improve core reading, math, and writing skills to strengthen their academic foundation. Omega's certified teachers fill skill gaps, teach validated study skills, and build vital critical-thinking skills needed for success in all high school courses, including AP and Honors classes.
